

**There is nothing more exciting than hosting an event at Southwick's Zoo, New England's most diverse zoological collection and park.**

Situated in the tranquil and beautiful countryside of the extraordinary Blackstone River Valley, nestled under the shade of tall oak trees on over 200 acres, Southwick's Zoo is home to hundreds of animals like chimpanzees, lions, tigers, giraffes, mandrill monkeys and many endangered species including the white rhino.

Our dedicated Corporate Outings and Events Staff take care of everything, making sure you and your guests relax and enjoy your day of **fun and adventure!**
